97819048466	OBEDIENCE TRAINING FOR RECORDERS 'A Care and Maintenance Manual' by Tim Cranmore He has gained a reputation as one of Europe's leading makers. "They are all single-minded, obsessive, independent, skilled workers who combine the tasks of researcher, craftsman, salesman and musician in one." This book is a synthesis of one recorder maker's approach to the subject, as well as a practical introduction to looking after the instrument. After a brief historical background on recorder, topics such as cleaning, tuning, adjusting the block and more are discussed. A witty, easy read.	\$29.95
G6765	THE ANATOMY OF MELODY BY Alice Parker <i>Exploring the Single Line of Song</i> Recorder, like the voice, is a melody instrument and all melody players should read this. Alice Parker reawakens our intrinsic desire to hear a beautiful, sweeping musical phrase.. This book explores the history of melody and its element. Throughout the 20 chapters, you will abandon harmony, counterpoint and theory to discover the delight of a single line of music. Her passion for the combined poetry of words and music carries us back to the very basic of song.	\$26.95
