We hope that you are enjoying our new and improved website. We now provide a shopping cart to simplify your shopping experience. Here is a short explanation of the shopping process on our website:

IMPORTANT: For your security, please **DO NOT** include any payment information with your order.

Once we receive your order, we calculate the appropriate sales tax (for NY residents only) and shipping charge. We will then contact you with the total amount of your order to arrange payment. You can mail us a check, give us your credit or debit card information by phone, or request to pay online. You can pay online with a credit card, debit card or an electronic check. If you have a PayPal account, you can use that.
