

COURTLY MUSIC UNLIMITED

Invites you to an In-person

RECORDER WORKSHOP

Richie & Elaine, both Juilliard trained, teachers & performers for over 40 years will guide you in the joys of making music with others.

Saturday February 28 and Sunday March 1

At our November workshop we worked on selections from J.S. Bach's ***Art of the Fugue***. We will continue with this work and play two more pieces in varied styles. It will be mid-winter here in the Adirondacks so we will play the appropriately titled ***Winter Wanderings*** a new composition by John Hawkes of England. Also to be worked on is ***Two Blues Canzonettas*** by Steve Marshall another English composer. He uses the structure of a canzon – a polyphonic form that was popular in the 16th & 17th centuries but the style of the music is the 20th century Blues.
