

CELTIC MUSIC

A Two Day Recorder Celebration at COURTLY MUSIC UNLIMITED

Memorial Weekend Sunday & Monday May 26 & 27

By POPULAR DEMAND! Two Days of Music from the Celtic Isles.

We have structured it so you can participate both days or just one day.

Sunday will be a day of beautifully harmonized ensemble music for recorders arranged by Irish, Scottish and Welsh composers who really know how to write for recorder.

The Monday session will focus on learning how to ornament Irish music.

Looking forward to sharing some of the world's greatest folk music with you.
